CONTEST RULES

- Our special theme this year is "***MUSTANG***"
- The contest is open to all model builders. Entries can be plastic, wood, metal, resin, etc., but no fully pre-assembled, die-cast entries.
- There will be no sweeps in any category (one entrant will win first, another second, and another third).
- Models that have won Judges' Grand Award, People's Choice Award, or any "Best Of" category award in any previous CAN-AM CON are ineligible to compete but may be displayed.
- Judges' decisions are final in all matters. Contest judges have the right to place a model in another category, if they deem appropriate.
- Models may be displayed on simple bases. Bases will not be considered during judging except for vignettes and dioramas.
- Neither IPMS Champlain Valley, Mount Mansfield Scale Modelers, the judges, or Delta Hotels assume any liability for the loss or damage to entries.
- Junior entrants must be 15 years of age or younger.
- Only instruction sheets from kits for OOTB entries will be allowed on the tables due to space limitations.
- A "collection" is defined as three or more closely-related models which are the work on one person. The closeness of the relationship within the collection will be a factor in judging. For example: three versions of a Tiger tank are closer than three different German tanks.
- An "out-of-the-box" entry is defined as any kit constructed using only the kit parts and instructions. Alternate paint schemes and decals may be used. Display kit instructions with your entry to qualify for OOB.
